

comfort

Comfortable - to be able to feel comfort. In this building you will feel this way because we have focused on getting the **acoustics and thermal comfort** right, so you are not distracted during your work. We also delivered this building as friendly and accessible to all - the **Building without Barriers certificate** confirms that.

What you get:

- Focused and relaxed at work
- Increased performance and productivity **(even by 66%!)**
- Good mood and work satisfaction
- Increased reaction time
- Buildings adjusted to the needs of all people
