THE EIGHT

The Eight is an office tower designed for an inspired Bellevue and tenants to attract and retain top talent. The Eight creates a welcoming, indoor/outdoor public space with 11,000 square feet of retail including a 1,900 square foot mass timber pavilion to engage the neighborhood.

Situated along NE 8th Avenue, the activated plaza will feature landscape that captures a variety of native Washington plants to provide a unique experience and buffer pedestrians from the busy street.

1550 ON THE GREEN

Houston, TX

1550

ON THE GREEN

1550 on The Green is located directly adjacent to one of Houston's most celebrated and iconic parks in downtown Houston, Discovery Green. Part of the three-block master plan, all owned by Skanska.

With a unique side core design, three roof terraces, and pursuing LEED® Platinum certification, 1550 on The Green will set a new standard for Houston architecture and office life.

Project Location

Sweco and Nest 45

Two multi-tenant properties and a hotel in Copenhagen

Sweco - office

Nest 45 - office

Nest 45 - hotel

Sweco

The building is constructed as a multi-use property with 7 premises, all of which are let to Sweco as the headquarters for the Danish part of one of the largest engineering and architecture companies in the Nordic region.

Sweco Denmark's DGNB Gold-certified headquarters in Ørestad was completed in July 2018. The 11,500 sqm of office space provides activity-based workplaces for the approximately 800 employees and has its own underground car park.

ESG highlight:

DGNB Gold certified; solar cells on the roof to ensure low energy consumption

Sweco

Area	11 524 SQM
Delivery	2018
Occupancy	100%
Tenants	Sweco
Sustainability measures	DGNB Gold, district cooling, solar panels, green electricity
Other	142 underground and ground-level parking spaces

Nest 45 - office

Nest 45 is Ørestad's newest multi-use property with shared facilities such as atrium, roof terrace, meeting rooms and canteen. There are also changing rooms and showers in the basement.

As a modern multi-use property, Nest 45 is characterised by a combination of office and hotel, which creates activity in the building around the clock. It is possible to divide the building into nine office leases.

ESG highlight:

DGNB Gold, district cooling, solar panels, green electricity

Nest 45 - office

Area	8 500 SQM
Delivery	2023
Occupancy	100%
Tenants	Telia, Sweco
Sustainability measures	DGNB Gold, district cooling, solar panels, green electricity
Other	Parking with 277 underground and ground-level parking spaces. Shared bicycle parking with changing facilities. Attractive atrium with reception and canteen. Shared roof terrace

Nest 45 – Ibis Styles

The Accor hotel group opened the first “Ibis Styles” hotel in Denmark in February 2023. The 3-star hotel includes a bar, restaurant and airconditioned rooms with free Wi-Fi and en-suite bathrooms.

The 186-room hotel is centrally located right next to the Metro. From the hotel there is quick access to Ørestad’s experiences, all the many attractions in Copenhagen and easy access to the airport, motorway and the bridge to Sweden.

ESG highlight:

DGNB Gold, district cooling, solar panels, green electricity
